

**A**labama's Hunting & Fishing Trail for People with Physical Disabilities is a network of public and private recreational sites throughout the state providing accessible fishing, shooting, and hunting opportunities for individuals with physical disabilities. The trail has been developed by the Division of Wildlife and Freshwater Fisheries of the Department of Conservation and Natural Resources in cooperation with a broad range of sponsors.

There are no requirements to preregister to use the fishing and shooting facilities. Trail sponsors encourage you and a friend to visit one or more of these sites and experience the joys of recreational fishing and shooting. All users of these facilities must be properly licensed and abide by regulations governing the fishing and shooting sites. For fishing information call the individual fishing sites listed inside.

The trail hunting sites are provided by various public and/or private entities and managed by the Division of Wildlife and Freshwater Fisheries. Due to safety and liability considerations, certain limitations exist for participating in hunting activities on the Hunting & Fishing Trail for People with Physical Disabilities.

#### **GUIDELINES:**

- ◆ Each hunter must complete an application available from the Wildlife Section, 64 North Union Street, Montgomery, AL 36130; or by calling (334) 242-3469.
- ◆ The application process certifies individuals are physically disabled under guidelines established by the American Medical Association, Veterans Administration, or the U.S. Social Security Administration.
- ◆ Hunting is restricted to two or three days per week, except at Big Oak\*, so that deer are not pressured and forced to become nocturnal in their activities.
- ◆ An individual may only hunt on a given area once every two weeks, except at Big Oak\*.
- ◆ Hunting is by reservation only and each participant must check in and out on the date reserved, except at Big Oak\*.
- ◆ All hunting is from shooting houses located on wildlife openings, except at Big Oak\*.
- ◆ Participants in these hunts may bring a non-hunting partner to assist with the activities.

*\* Special regulations apply to Big Oak, see Choccolocco WMA Map/Permit for season and regulations.*

**Please call (334) 242-3469 to obtain additional information regarding the Trail's fishing, shooting, and hunting opportunities.**
